ENROLLMENT

Students must be enrolled as an Orchard View High School student before being placed in an online course through the Personal Learning Academy.

Students seeking fully virtual schooling will be enrolled through Muskegon County Virtual Academy as a partnership with Orchard View Schools. A fully virtual student is defined as having all 6 classes online per semester.

Students seeking a hybrid schedule or who need credit recovery options will use the Edmentum platform through Orchard View High School. Students with a hybrid schedule can enroll in up to 3 classes online per semester.

Students are allowed two attempts to successfully complete a course. If a student does not pass the course after two attempts, they will be required to meet with their counselor to discuss and determine alternative ways to earn the necessary credit.

NOTE: If student expectations are not met on a regular basis throughout the semester, the student will lose the privilege to enroll in online learning the following semester through Orchard View High School and/or MCVA.

ENROLLMENT WINDOW

Students seeking to enroll in an online course through Edmentum must make the request during the registration period in the spring or within the first week of the semester. If a student wants to enroll after the first week of the semester, the student will be required to provide a medical note stating that the switch to online learning is necessary due to a physical or mental condition.

RIGHTS AND RESPONSIBILITIES

Fully virtual and hybrid students are allowed the same privileges as in-person students. They may attend and participate in extracurricular events, sports, and clubs as long as they meet the requirements set forth in the OVHS Student Handbook which includes but is not limited to regular attendance and academic progress towards graduation. They may attend CTC, field trips, college tours and dances. For a complete list of opportunities, please review weekly emails from the school and the OVHS Student Handbook.

It is the responsibility of all online students, whether fully virtual or with only one online class, to check their email daily, be a self-directed learner, and seek support from the identified content teachers when help is needed or additional support is required.

HYBRID STUDENT EXPECTATIONS

- Attend mentorship meetings online with Mr. Cole two times per week.
- Log into their class each school day and work for 1-2 hours per day, per class. Students may need to work more hours per day or on the weekend if they are not on pace.
- Attend in-person on both count days and complete an assignment in each class.
 - Fall count Day - Wednesday, Oct. 1st
 - Spring Count Day - Wednesday Feb. 11th
- Complete Edmentum Assessments in-person (Unit Post tests & Exams)
 - Email your content teacher to schedule a date/time for the test
 - Bring your OV provided chromebook to take the test. You will not be allowed to take it on another device.
 - Unit Post test can be attempted twice. No retakes on the exam.
 - Hybrid students will NOT be allowed to participate in the exam waiver 2nd semester.
- Complete the required State of Michigan testing
 - Students will be required to attend in-person for the Spring Testing dates. Students should refer to their announcements for specific dates and times.
 - States test include:
 - 9th and 10th grade students - PSAT
 - 11th grade students - SAT, WorkKeys, and M-STEP
 - Completion of the SAT, WorkKeys, and M-STEP is also a graduation requirement at OVHS
 - 12th grade students - Senior Science Test
- Students who successfully complete their classes before the semester end date, will be done with the class once the exam has been taken.

CREDIT RECOVERY STUDENT EXPECTATIONS

- Log into their class during their scheduled credit recovery hour and work the entire hour. Students may need to work more hours per day or on the weekend if they are not on pace.
- Bring your charged, OV provided chromebook to class daily. You will not be allowed to work using another device.
- Attend in-person on both count days and complete an assignment in each class.
 - Fall count Day - Wednesday, Oct. 1st
 - Spring Count Day - Wednesday, Feb. 11th
- Complete Edmentum Assessments in-person (Pre-tests, Unit Post test, Exams)
 - Request tests/exams to be unlocked by the teacher during credit recovery class time including pretests.
 - An option to email HS unlock will be monitored occasionally over breaks. Students will be informed via email when that occurs.
 - Unit Post test can be attempted twice. No retakes on the exam.
 - For the 2nd semester exam incentive, if a student has earned an 83% in the course prior to the exam, has 6 or less absences, 5 or less tardies, and has no behavior referrals that have resulted in OSS or ISS, they will be exempt from taking the exam. Students must have all assignments completed and graded the Friday before seniors exams in order to be considered for the exam incentive.
 - In order to qualify for the exam incentive in both classes for credit recovery, students must have one class completed by the end of the 3rd marking period.
- Complete the required State of Michigan testing
 - Students will be required to attend in-person for the spring testing dates. Students should refer to their announcements for specific dates and times.
 - States test include:

- Meet with students regarding graduation requirements/auditing

GRADING PROCEDURES

- **STUDENTS-**
 - Assignments will be graded within a week of when they were submitted. If it has been over a week, please email the teacher of record in Powerschool to politely request the assignment to be graded.
 - Grades will be updated weekly in Powerschool. The CURRENT grade in Edmentum will be the grade in Powerschool that is entered weekly, not the COURSE grade. If you are behind in Edmentum, it will be the COURSE grade.
- **TEACHERS-**
 - Grading- Assignments
 - Grade once a week, minimum
 - Students will be informed that assignments will be graded within a week of when they were submitted.
 - If it has been OVER a week then the student may email the teacher (politely) to request the assignment to be graded
 - Weekly Grading in Powerschool
 - Update marking period grade each week.
 - If the student's icon is green or orange- use the CURRENT GRADE
 - If the student's icon is red - use the COURSE GRADE

- If the student's icon is gray - they should not be accessing the course. If they need an extension for 1st or 3rd quarter, please contact a counselor.
- End of Semester Grade in Powerschool
 - When the student finishes a course, the COURSE grade will be entered as the final grade in Powerschool. If the student has not completed all assignments or the exam and the semester has ended, the course grade will be entered.
 - The course grade needs to be entered in Powerschool as the exam score and the semester grade in order to signify the course is complete for anyone that can't see Edmentum.
 - The teacher will also "approve credit" in Edmentum. *See a counselor if you're still unsure how to do this.
- Communication - When communicating with a student these communications should be documented in the two way communication form in PowerSchool. Please make the communication specific about classes, content or progress.

ACADEMIC INTEGRITY

Integrity, especially academic integrity, is a requirement of the virtual learner. All learners must abide by the following guidelines regarding academic integrity: All exams and assignments will be the original work of the student. Any collaboration on assignments with other students must be pre approved. Students will not allow other students to copy or re-use their work. Plagiarism and the use of Artificial Intelligence (AI) is strictly forbidden. Please see the student handbook for discipline regarding violations of school rules.
